**“Home of the Folsom Jr. Bulldogs Since
1985”**

Dear Community Member,

The Folsom Jr. Bulldog Football and Cheer program prides itself on producing exceptional student athletes. As you're well aware, Folsom High School has fielded winning teams for years. These talented football players and cheerleaders have come up through the Folsom Jr. Bulldog youth program. We strive to benefit each child through increasing confidence, becoming more disciplined, practicing good sportsmanship, learning to live a healthy lifestyle, and more importantly having fun. Our organization has many volunteers, who dedicate countless hours to ensure our children have a safe, nurturing, yet challenging learning environment. To achieve this we strongly rely on community sponsorship to make our program a success.

Sponsors are a vital part of continuing to help our young student athletes meet their individual goals on and off the field. To show our appreciation to our sponsors, we proudly display your custom banner and make a public address announcement at every home game. You will also be featured on the Folsom Jr. Bulldogs website with a direct link to your company or organization, along with our other sponsors.

Folsom Youth Football & Cheer (FYFC) is a 501(c) 3 our Tax ID #94-3375105. All the funds raised through sponsors help us provide scholarships, safety equipment, and training, as well as improve the facilities at Livermore Field, which benefits the entire Folsom community. Attached you will find a list of our 2017 Levels of Sponsorship or you can simply visit our website listed above to view the information.

We sincerely hope you will choose to support Folsom's children. We look forward to building a relationship with you. Please join our winning team!

Sincerely,

Joeleen Masciovecchio
