**“Home of the Folsom Jr. Bulldogs Since
1985”**

Dear Community Member,

One reason for the recent success of Folsom High’s varsity football program has been due to the talent coming into the program each season. Folsom High School has fielded winning teams for years and that is because the school is receiving talented football players coming up through the Jr. Bulldog youth program.

The Jr. Bulldogs have also seen success. Last year three of our five teams won Division I championships.

The two Bulldog programs work closely together, including holding a youth football camp run by Folsom High’s varsity staff; Kris Richardson, Troy Taylor, along with the rest of the varsity coaches and a handful of players. We are looking for a sponsor to help fund this year’s Folsom Jr. Bulldog’s football camp.

To show our appreciation for your \$1000 contribution, we will identify you as our sponsor on all promotional materials for the several months we advertise our camp. You are welcome to set up a table display all three days of camp, as well as at our annual Friday Night Lights community event. You can pass out company materials or talk with our members and the local families of the camp participants. We will prominently place a 3’ x 6’ field banner honoring your company as our camp sponsor, in addition to, every home game and event throughout the season. We will also proudly display your company’s logo and link on our home page of our website during registration and through the end of 2015. You will be listed as a sponsor in the 2015 FYFC Program Book. You will also be provided with “Proud Sponsor of the FYFC” sticker for your business window.

Folsom Youth Football & Cheer (FYFC) is a 501(c)(3) our Tax ID #94-3375105. Your contribution will help us provide scholarships, safety equipment, and training, as well as improve the facilities at Livermore Field, which benefits the entire Folsom community.

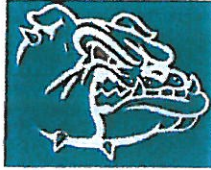

We sincerely hope you will support us, as we seek to provide the best youth football and cheer program for our children. Youth athletics benefit children through increasing confidence, becoming more disciplined, practicing good sportsmanship, learning to live a healthy lifestyle, and having fun.

We look forward to building a relationship with you. Please join our winning team!

Sincerely,

Amy Dupree, FYFC Sponsorship & Fundraising Coordinator
